

“From an IT perspective, Everstream’s technical support sets them apart from other providers. We are one phone call away from a live person who will resolve any issue that we might have.” Dave Bauer, Bernie Moreno Companies

Everstream Fiber: Delivering for your Dealership

Looking “under the hood” at your service provider’s engine — its network — is the only way to truly understand the infrastructure your business relies upon. Does your current provider measure up?

At Everstream, we deliver network solutions customized for your dealership’s unique needs. Do you need to track inventory across multiple locations? Or maintain a certain level of bandwidth? Are you eager to deliver a car-buying experience for your customers that is second to none?

We’ve got you covered. At Everstream, our high-bandwidth Business Fiber Network delivers customized solutions at speeds up to 100 Gigabits per second for the reliability that you — and your customers — demand.

Despite what you hear, business fiber networks are not created equal. Kick our tires. Everstream won’t take you for a ride.

THE EVERSTREAM DIFFERENCE

24/7 Customer Support

Our Network Operations Center in Downtown Cleveland is staffed by highly trained engineers, who provide 24/7/365 support with one phone call.

Industry-Leading Install Times

Everstream’s internal Service Delivery and Installation teams work jointly to complete each project on-time and to the customer’s specifications.

Flexible Bursting

Everstream’s no-charge bandwidth bursting means you’ll always have capacity when you need it most.

Billing

With Everstream’s streamlined billing and invoicing system, gone are the days of deciphering hidden fees and extra costs. And a single point of contact means any billing questions are answered quickly.

Chandra Hart, Major Account Executive, Everstream

I was first brought on to help launch Everstream and grow the business. Nearly five years later, I have helped to deliver custom fiber solutions to more than 250 enterprise customers, including several auto dealerships throughout Northeast Ohio.

From car sales to connectivity, relationships matter. When you work with Everstream, it’s not just a transaction. It’s a relationship. I understand your industry, and would welcome the opportunity to determine how Everstream can earn your business. Let me prove why your dealership belongs with the Business Fiber Network.
