Good afternoon,

There is no application available. When someone applies for the 7501 - Certificate, they must complete the following:

- 1) The completed Telecom Q & A that is attached.
- 2) Provide a copy of their Illinois Department of Revenue Certificate of Resale and/or a sample Illinois Telecommunications Tax Resale Certificate (CRT-61).
- 3) In addition, they are asked to indicate who they are purchasing Telecommunication service from and which customer market they are reselling to (residential, commercial etc.)?

The taxpayer is then asked to email me the completed Telecom Q&A and response to their answers.

Thank you.
